The Anatomy of a Review Funnel Page

1 Hero Section
Introduce your Funnel with a short, descriptive hero section.

2 Hero Section Title
Add a simple title to your hero section. Another example could be "Leave Your Feedback".

3 Hero Section Description
Add a simple title to your hero section. Another example could be "Leave Your Feedback".

2 Customer Feedback

3 Please share your experience with our company. We use your feedback for guidance on how to improve our products and services.

4 Would you recommend Starfish Beta Demo ?

4 Starfish Reviews Review Funnel
Add your Funnel with a Shortcode/Text/Text Editor block or module.

5 Need support? Use one of the support channels below:

6 Help Docs   **7** Community Forums   **8** Create a ticket

9 Call 555-123-4567   **10** Live Chat 24/7

5 Introduce Support Section
Add a section for your support details, and give it a heading that encourages customers to reach out.

6 Documentation Button
Add a button that leads to your knowledge base where customers can find articles on common issues.

7 Forums Button
Add a button that leads to your community forums if you have them.

8 Email Button
Add a button for email support. Include a link to your ticket area, or add a mailto link instead.

9 Support Phone Number
Add a phone icon and text for your support phone number. You could also turn this into a click-to-call link.

10 Live Chat Info
Add a chat icon and text showcasing your live chat hours. Enable a live chat button on the page.

11 Solutions to Common Issues

12
- 404 Errors on Funnel Pages
- Compatibility with W3 Total Cache
- How to Hide Your License Key & Account Details on Client Sites
- Negative Feedback Emails Not Received
- Upgrade/Downgrade/Beta Version

11 Heading for Common Issues FAQs
Add a section of FAQs for common issues, and introduce it with a simple heading.

12 FAQs for Solutions to Common Issues
Add individual solutions to common issues. This example uses the Toggle element in Elementor.

13 Simple Footer Section
Add a simple footer section. Give it a simple background color and no heading.

14 Social Media Icons
Add a row of social media icons. Include a link to your profile page for each.
